# Disabled Veterans Parking Benefit Requirements

## Louis Armstrong New Orleans International Airport

---

### Overview

Louisiana R.S. 29:27.1 (<http://www.legis.la.gov/Legis/ViewDocument.aspx?d=1051521>) provides disabled veterans with 10 days of free parking at air carrier airports. The plan by which the veteran parking benefit will be provided at MSY is described below.

### Proof of Disability

Proof of a service connected disability can be provided through two means, (1) license plate (R.S. 47:490.4 and 490.31) or (2) disabled veteran identification card issued by the US Department of Veteran Affairs. Samples of each are shown below.

- §490.4 - Service-connected disability rating of fifty percent (50%) or more and resident of Louisiana. <http://legis.la.gov/Legis/law.aspx?d=321788>

- §490.31 - Service-connected disability rating of one hundred percent (100%) and resident of Louisiana. <http://legis.la.gov/Legis/Law.aspx?d=1017799>

- Current, valid disabled veteran identification card issued by the United States Department of Veterans Affairs with the “Service Connected” designation under the photo.

### **Documentation Required by MSY to Receive Parking Benefit**

The parking operator will review the below documents at time of exit from the parking facility.

#### **A. Vehicles with Approved License Plate**

1. Completed MSY Veteran Parking Benefit Request.
2. Current valid US Department of Veterans Affairs (VA) identification card.
3. Proof of travel.

#### **B. Drivers with Service Connected VA Identification Card**

1. Completed MSY Veteran Parking Benefit Request.
2. Current valid US Department of Veterans Affairs (VA) identification card.
3. Completed Veterans Parking Benefit Certification Form (LDVA F33), confirming a disability rating of 50% or higher. Form LDVA F33 must be signed and sealed by a LDVA Parish Service Officer. Form LDVA F33 will expire 1 year from the date of issuance.
4. Proof of travel.

Proof of travel may be an airline ticket or flight itinerary showing travel dates that coincide with parking dates. Parking will not be validated without proof of travel.

## **Process**

The parking operator will review the documentation provided by the disabled veteran. The MSY Veteran Parking Benefit Request will be retained by the parking attendant for airport/parking operator records. Proof of travel will be returned to passenger. The LDVA F33 will be returned to the passenger for continued use. The LDVA F33 will be valid for 1 year from the date of issuance.

All documents and procedures are available on the Airport's web site. The onus will be on the veteran to ensure that all required documents are available for review prior to exiting the airport's parking facilities following travel.

Refunds will not be provided for parking revenue collected due to improper documentation.

This procedure may be amended from time to time.
